

Essential Manners For Men What To Do, When To Do It, And Why

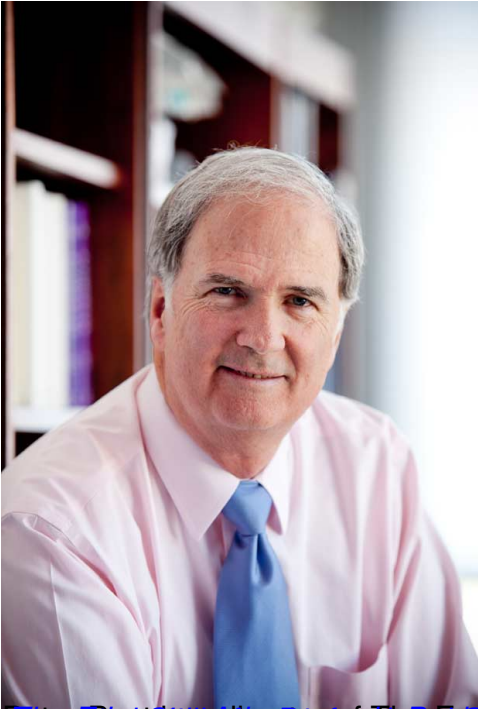

Red

In 2003, Peter Post Penned a best-selling manners book for men. Now in 2012, he's updated that book for a new era. From Facebook manners and online dating to dressing for the occasion and men's most annoying habits, Peter Post teaches men how to behave. [Essential Manners For Men, 2nd Edition](#) (paperback, \$14.99) is full of Peter's self-deprecating humor backed by his rock-solid etiquette advice that will appeal to men who are searching for a new job, looking to impress their significant other or those who just simply want to enhance their character.
