

Lively Conversations

Top 6 Tips

1. Show interest - ask questions, make comments, listen carefully.
2. Look at the person who's speaking.
3. Pay attention to the person who's speaking - (don't spend your time thinking about what you'll say next or you won't hear what's being said).
4. Don't interrupt.
5. Speak clearly with a lively tone of voice when it's your turn.
6. End the conversation pleasantly.
