

A+

Dear Mr. and Mrs. Gresham,

I'm looking right now at the lovely silver candy dish you sent and imagining how pretty it will be on our Thanksgiving table next month. (We're hosting Paul's family for the first time!) It really is one of my favorite things and Paul and I are so grateful to you.

Comment [PCP1]: Great way to focus on the gift.

Comment [PCP2]: Mentions gift in a complimentary, non-gushy fashion.

Comment [PCP3]: Says how the gift will be used.

Comment [PCP4]: The 'official' thanks from the couple.

We were both sorry that you couldn't come to the wedding, but I know your trip to New Zealand must have been amazing! If all goes according to plan, we will be in St. Paul for Christmas, and we'd love to see you and the girls and hear about your travels.

Comment [PCP5]: A personal, conversational note.

Comment [PCP6]: Plans to keep in touch.

Again, thank you so much for the candy dish and for the beautiful thoughts in your note.

Comment [PCP7]: Acknowledges a thoughtful gesture.

Love from both of us,

Comment [PCP8]: Includes the groom in the closing.
